L'information en français sera disponible sous peu.

## What's New?

### [Reporting System v.2](#)

#### The better way to report usage

Reporting System v.2 became available to you on December 1, 2005. The improved version provides you with a comprehensive method of creating meaningful usage reports and tracking with unmatched flexibility and ease-of-use. [More...](#)

### [LawSource](#)

#### Success Story

Learn how Pheroze Jeejeebhoy LL.B. maintains competitiveness and reduces time spent on finding and sorting through information with **LawSource**. [More...](#)

## Coming Soon

### [SecuritiesSource](#)

#### New and improved home page layout coming to you March 13<sup>th</sup>.

**SecuritiesSource**, the online legal research service for the securities practitioner, has now been completely redesigned to give quicker, one-click access to the information users want and need most. [More...](#)

### [Graphical KeyCite](#)

#### Click, view, and comprehend a case's direct history, quickly and easily.

Combing through the text history of a case to get the total picture can take time and be tough on the eyes. But now, WestlaweCARSWELL gives you the option of a graphical view, so you can quickly comprehend a case's direct history. Graphical KeyCite visually depicts how a case has moved through the court system. And just like the text history, the cited documents are all linked in WestlaweCARSWELL. [More...](#)

### [Global Navigation Bar](#)

#### New layout

The new layout of the main navigation bar will provide users with a more convenient way to access key WestlaweCARSWELL resources. [More...](#)
