

## LawSource — New Links to Court Documents

Beginning later this month, users of LawSource will be able to link to all court documents available on Westlaw Canada— pleadings, motions, facta and other filings --directly from the home page.

This new link, to be located on the left frame of the LawSource home page, will link you to search templates and Tables of Contents available on Westlaw Canada Litigator and InsolvencySource

The Court documents available from Litigator currently include more than 50,000 court documents from 12 subject areas:

- Civil Practice
- Corporate-Commercial
- Construction
- Employment
- Environmental
- Estates and Trusts
- Insurance
- Intellectual Property
- Municipal and Planning
- Pensions and Benefits
- Real Property
- Torts

The insolvency court filings, taken from important and noteworthy insolvency cases, include orders, motions, affidavits, facta and reports, provided to Carswell by the Insolvency Institute of Canada.

LawSource users who also subscribe to Litigator and/or InsolvencySource, will be able to access these materials as part of their subscriptions. Users who do not subscribe to these services, will have access on a pay-per-use basis.
