

Find&Print

Find&Print feature provides you with an easy way to retrieve and print multiple documents:

- Find and print up to 20 citations at once
- Save time without the inconvenience of:
 - Having to go into each document one at a time and request a print job
 - Wading through a list of results and choosing the items that are needed for printing.

The screenshot shows the Westlaw Find&Print interface. At the top, there is a navigation bar with 'FIND&PRINT' highlighted. Below this is a secondary navigation bar with various legal sources like 'LawSource', 'FamilySource', etc. The main content area is titled 'Find&Print' and 'Find and Print Multiple Citations'. It features a large text input field for 'Enter Citation(s)', a 'Send Request' button, and two columns of options: 'Select Result Options' (including checkboxes for KeyCite History and Citing References) and 'Select Delivery Options' (including radio buttons for Attached Printer, Download, Email, and Fax, along with dropdown menus for HTML, PDF, and Word Attachment). A 'To:' field for email is also present. On the left, there is a sidebar with 'Find a Document' and 'Find&Print Multiple Citations' sections. Red callout boxes with arrows point to specific elements: one to the 'FIND&PRINT' link, one to the 'Send Request' button, one to the 'Enter Citation(s)' field, one to the 'Select Result Options' section, and one to the 'Select Delivery Options' section.

Instantly retrieve up to 20 documents—complete with KeyCite history and citing references.
Enter your citation (separated by a semi-colon or a hard return) in the main search box.

Use this field and checkbox to Find&Print your citations, without making KeyCite or Delivery selections
