Reporting System is provided as a service to Westlaw Canada subscribers for purposes only of estimating their Westlaw Canada charges. Actual Reporting System data (i.e. machine readable copies and printouts) for billing purposes may be provided to your clients only, not to other third parties. The rates used for Reporting System calculations are based on rates designated by subscribers or on the applicable Westlaw Canada rates, which may or may not reflect discounts and other charges (such as taxes). Reporting System does not represent the subscriber's actual Westlaw Canada charges.
