[SecuritiesSource](#)

Did you know that users can now access SEDAR documents through GSI-LIVEDGAR right from the home page?

The industry standard for securities research, LIVEDGAR is a powerful research platform built to handle the needs of legal and financial professionals. Combining proprietary content, award winning search technology and domain expertise, LIVEDGAR enables users to conduct online securities research and obtain source documents in a single step. [More...](#)

[CriminalSource](#)

Carswell adds Ministry of the Attorney General of Ontario to its group of CriminalSource™ users.

Since July 2005, the following provincial prosecution groups have adopted **CriminalSource** for its unique content and functionality: SK (all prosecutors), AB (all prosecutors), MB (all prosecutors), NL (all prosecutors), ON (selected prosecutors). QC has provided access to all provincial prosecutors for three years now and NS and NB have been using **CriminalSource** for over two years. [More...](#)

Coming Soon

[Litigator™](#)

Litigator seminar sessions are coming to a city near you.

Come to one of our seminars and learn about Canada's largest collection of online litigation resources. Litigator will revolutionize the way you perform your key case and trial preparation work.
