

What's in LawSource® – Tribunals

LawSource® includes all tribunal decisions published in print reporters from 1997 forward.

LawSource also includes the following key unreported tribunal decisions:

- All decisions cited in a court decision or reported tribunal decision (from 2000 forward)
- All decisions cited in Carswell analytical materials (such as the Canadian Encyclopedic Digest)

Below is a list of tribunals for which there is significant coverage on LawSource for the federal jurisdiction and the common law provinces.
