Enhanced Municipal Law Tribunal Collection

As part of our continuing project of enhancing the collection of tribunal decisions on **LawSource**, we have recently added the following decisions to our service:

- all decisions (approximately 6,000) rendered by the Ontario Municipal Board from the year 2001 forward
- an additional 2750 earlier decisions of the OMB, that were reported in the OMB Reports
- an additional 928 decisions regarding land compensation, decided by municipal boards across the country, that were reported in the Land Compensation Reports

Spousal Support Advisory Guidelines 14 months later

In their sixth, and most recent update, *The Spousal Support Advisory Guidelines, Fourteen Months Later*, Carol Rogerson and Rollie Thompson highlight an additional eighteen cases that make use of the SSAG, outlining the award given by the court and its relationship to the ranges provided in the guidelines. Coming Soon

Litigator

Revolutionary new online workflow solution for litigators

Soon you will be able to value a claim in minutes, access thousands of pleadings, motions, and facta filed with Canadian courts, profile experts, judges, and opposing counsel in a whole new way right from your desktop. [More...](#)

All Sources

Abridgment Linking

The new enhancement will simplify the way you get from a case to other cases dealing with the same issue. Stay tuned!

[SecuritiesSource](#)

A search that used to take two steps, will soon take only one!

Soon you will be able to search both Securities Commission (Regulatory) Materials (excluding Rules, Notices, Policies) and Legislation (excluding provincial securities acts) simultaneously using a new combined search option contained within the Legislation Search Template.
