The Canadian Abridgment eDigests

Launching on July 28th, 2004
Included in Your WestlaweCARSWELL Subscription

On July 28th, Carswell will be launching **The Canadian Abridgment eDigests**, a new current awareness service for WestlaweCARSWELL subscribers. **The Canadian Abridgment eDigests** are a topical selection of case digests derived from Carswell's flagship product, The Canadian Abridgment and are selected for this service based on their significance or their potential value as precedents.

The Canadian Abridgment eDigests will be emailed to you, the WestlaweCARSWELL administrator, in an html attachment. This will provide you with a convenient way to distribute them throughout your office. Your users will be able to scan a subject area and find cases relevant to issues of interest to them ... right at their desktops... and will also allow them to link directly to full text cases within WestlaweCARSWELL.

The Canadian Abridgment eDigests will be made available to you as part of your WestlaweCARSWELL subscription, based on the **Source** service to which you subscribe. **LawSource** subscribers will receive all of the available topics. Specialty Source subscribers (i.e., **FamilySource**, **CriminalSource**, **InsolvencySource**, **SecuritiesSource**) will receive the topics that correspond to their specialty.

On July 28th, **The Canadian Abridgment eDigests** will be available for the following practice areas:

- Aboriginal Law
- Constitutional Law
- Damages
- Family Law (Atlantic)
- Family Law (Ontario)
- Family Law (Western)
- Practice
- Torts

This list of available topics will continue to grow in the future. Please watch for announcements in upcoming Bulletins.

The Canadian Abridgment eDigests will provide your users with the critical information they need to stay current quickly, easily, and with confidence.

Additional information will be forthcoming as we approach the July 28th launch date. If you have any questions, please do not hesitate to contact your Account Manager or Customer Relations at 1-800-387-5164 (in Toronto: 416-609-3800).
