

## Litigator — Link to Other Court Documents

Beginning later this month, users of Litigator will be able to link to court filings available on InsolvencySource – orders, motions, affidavits, facta, and reports – directly from the home page.

The screenshot displays the Westlaw Canada Litigator interface. The top navigation bar includes 'FIND & PRINT', 'KEYCITECANADA', 'DIRECTORY', and 'SITE MAP'. The main navigation menu features 'LawSource', 'Litigator', 'SecuritiesSource', 'InsolvencySource', 'CriminalSource', 'IPSource', 'Estates&TrustsSource', and 'FamilySource'. The 'Litigator' section is active, showing search options like 'Find by citation:', 'KeyCite this citation:', and 'Find A Court Rule:'. The 'Resources' section is divided into several categories: 'Evaluate a Claim', 'Current Awareness', and 'International Materials'. The 'Search for Court Documents' section is highlighted, and the link 'Other Court Documents' is circled in red. Other links in this section include 'Pleading Gallery', 'Court Motion Gallery', and 'Factum/Brief Gallery - Motions/Applications'.

This new link, to be located in the “Search for Court Documents” section of the Litigator home page, will link you to search templates and Tables of Contents available on InsolvencySource.

The insolvency court filings, taken from important and noteworthy insolvency cases, include orders, motions, affidavits, facta and reports, provided to Carswell by the Insolvency Institute of Canada.

Litigator users who also subscribe to InsolvencySource will be able to access these materials as part of their subscription. Users who do not subscribe to this service will have access on a pay-per-use basis.
