

## International Commercial Arbitration Selected Databases

International Commercial Arbitration research service ICA provides instant access to more than 100 international arbitration databases. You'll be able to quickly find the information, resources, and critical guidance you need to better serve your clients.

This collection includes a new Current Awareness Center with the latest information updated throughout the day. It also offers easy-to-use search templates for conventions, legislation, rules and guides, treatises, journals and law reviews, with links to most-recent searches and advanced Westlaw®CARSWELL searches.

### ICA on Westlaw®CARSWELL exclusives!

- User Interface Redesign – incorporating suggestions from our customers, the redesign offers simplified search interfaces, a new Welcome page, and a Cases and Awards QuickSearch page with fast and easy links to material from numerous institutional awards Databases
- Current Awareness Center– provides direct links to key databases of the latest international news and issues to keep you up to date Current Awareness Center
- ICA-ALL Multibase – combines ICA materials to allow fast, broad searches
- Journals and Newsletters – features hundreds of journals from around the world including *The Vindobona Journal of International Commercial Law and Arbitration*
- Commentary and Treatises – gives you easy access to nine treatises
- Appleton Investor-State Reports – Westlaw®CARSWELL is the only online provider allowing search and retrieval of investor-state related cases

### Awards, texts, laws and more:

- ICDR Awards – featuring the West Key Number System®, this database offers redacted awards from the American Arbitration Association's International Centre for Dispute Resolution as they become available
- CIETAC, CPR, NAF, WIPO, and WTO-GATT awards
- Complete ICA primary law from more than five jurisdictions plus selected worldwide coverage
- Renowned texts like *Redfern & Hunter's Law & Practice of International Commercial Arbitration – 4th edition now online!* and *Domke on Commercial Arbitration*
- Journals, law reviews, treatises and model laws
- *Arbitration in China* – discusses various specialized areas relating to arbitration in China, and provides numerous reference materials including rules and conventions, forms and comparative tables
- *Arbitration in Hong Kong* – brings together general principles, procedure, specialist arbitration and relevant reference material

### Easy, intuitive research tools:

- **Customized templates** allow you to perform searches more Efficiently
- **Start Page** offers an overview of materials and links to specific Databases
- **Table of Contents** lets you easily browse combined ICA resources
- **Linked content** between sources lets you retrieve cited references quickly

See other side for a partial listing of databases. For a full database listing, contact your Westlaw®CARSWELL Account Manager.
