

**Don't you wish you could KeyCite anything?**

Even as you are walking into the courtroom, you'll know if something you or the opposition is depending on has gone sour. If you want to know if it's still good law, use KeyCite Alert.

# What might have been perfectly good yesterday could be less than ideal today.

**That's why there's KeyCite® Alert to monitor breaking developments in the case law, statutes, and rules that matter most to you.**

## **The freshest content**

KeyCite Alert is an exclusive monitoring service that automatically tracks case law and legislation and keeps you informed of up-to-the-minute changes that may impact the legal materials you are relying on. You can receive KeyCite Alert results whenever and wherever you want through a variety of delivery destinations, including wireless devices, e-mail or fax.

## **Easy and convenient access**

Access the Alert Centre from the WestlaweCARSWELL navigation bar and click [Create Entry](#).

Enter a citation

**KeyCite® Alert**

### Customizable options

The KeyCite Alert Setup Pages let you select the options for your KeyCite Alert entry. The frequency options include daily, weekly, biweekly, and monthly. KeyCite Alert can deliver the results to a wireless device, e-mail address, a printer, or a fax machine; save the results on WestlawCARSWELL; or download the results right to your desktop.

**Delivery Settings**

Frequency:	Daily
Destination:	E-mail
Results:	No notification
Date created:	07/19/2006
Last run date:	
Next run date:	07/20/2006
End date:	No end date

You can use the KeyCite Alert Directory to delete or modify an entry. The Directory lists entries in the order you created them. Entries remain in the Directory until you delete them.

Only WestlawCARSWELL provides you the right tools to monitor what matters most.

Try any of the WestlawCARSWELL Source services FREE for 30 days to experience the superior functionality of this unparalleled online legal research service.

**Wherever you are,  
KeyCite Alert Wireless  
instantly notifies you  
when the law changes.**

KeyCite Alert Wireless is a feature in WestlawCARSWELL that lets you send results directly to your wireless device. With KeyCite Alert Wireless, you not only save time but also stay on top of breaking developments that may affect your practice. Simply go to KeyCite Alert in WestlawCARSWELL and type in the citation you wish to monitor. Choose “e-mail” as the destination. Finally, click “Properties”, type in your e-mail and wireless addresses, then click “Save.”

# Powerful and unique WestlaweCARSWELL functionality truly allows you to *Work The Way You Think*<sup>®</sup>.

## KeyCiteCanada

- Verify whether a case is good law
- Get citing references to cases and legislation to support and strengthen a legal argument
- Note up not only judicial decisions, but tribunal and commission decisions, statutes and rules
- Access judicial treatments from Carswell's authoritative Canadian Case Citations and Canadian Statute Citations services.
- View Commonwealth (Australia and Hong Kong) treatments. Note up any case on Westlaw (including US and UK) with Canadian judicial treatments and see both Canadian and non-Canadian treatments for that decision
- Limit citing reference results by jurisdiction, date, court level or document type
- Search within your KeyCiteCanada results to find documents containing a particular word, combination of words or phrase with *KeyCite Locate*

## Graphical KeyCite

- Get a "picture" of the direct case history
- Link directly to case opinions and court documents on WestlaweCARSWELL

## KeyCite Alert

- Automatically monitor the status of case law and legislation
- Receive updates whenever information changes
- Get results whenever and wherever you want, including e-mail, fax, and printer or wireless devices
- Restrict citing references for your KeyCite Alert entry, to limit the results delivered

## WestClip Clipping Service

- Track case law, commentary, journals and law reviews on thousands of WestlaweCARSWELL and Westlaw databases
- Monitor the activity on leading cases to protect yourself from missing vital information
- Create your own currency newsletter of recent decisions

## Advanced Searching and Finding

- Search case law by issue as opposed to by database name
- Use a natural language searching option – enter actual phrases as well as words
- Use custom templates that ignore spacing, punctuation, and parenthesis
- Search as widely as you need and then refine within your results
- *Locate* (search-within-a-search) information precisely from a list of search results or from citing references
- Retrieve the most relevant documents
- Find journal articles, case law, legislation or commentary by citation or name

## The Canadian Abridgment Online

The most powerful case law finding tool online – you will love using the Abridgment on WestlaweCARSWELL!

- Browse or search case law online topically by classification
- Drill down the Table of Contents for faster, more targeted information retrieval
- Scan digests and link to full text case law
- Move directly from a case to other cases dealing with the same issue with Abridgment linking
- Link from an Abridgment digest to all other digests with the same classification
- Read digests of all cases related to your issue in one virtual document

## Canadian Abridgment eDigests

- Keep abreast of the latest developments in case law for a particular topic
- Receive the current awareness e-mail on a weekly basis
- Rely on content derived from case digests written for The Canadian Abridgment Case Digests.

## Canadian Encyclopedic Digest (CED) Online

- Access Canada's only legal encyclopedia online
- Begin your research with the CED to find out what the statement of legal principles might be and take note of the leading cases for those principles
- Access 219 titles representing a compilation and synthesis of leading case law, statutes, regulations, and procedural rules
- Stay aware of emerging areas of law

## Research Trail

- Link live to previously created work
- Return to incomplete research tasks and document your research effort
- E-mail it to yourself or your colleagues
- Check the thoroughness of someone else's work
- Rename it for easier recall, add notes to your trail to indicate topics, clients, or other information

## Global Access

- Single password access to the most valuable global information resources
- Access and search legal, business and news resources from around the world
- Track your work in one charge-back system

## Reporting System

- Streamline your reporting process
- Set up auto-reporting—avoid creating the same reports month after month
- Choose from multiple report formats or customize your reports
- Group locations, departments or cost centres into one report—simplify the reporting process or provide an overview of specific areas of your business
- Create client invoices
- View pay-per-view usage
- Email reports directly to impacted parties within your organization, and set up report criteria specific to your organization

## WestlaweCARSWELL Support Services

- Information Consultants provide consultative information and ensure that you are fully supported
- Learning Consultants make sure that you are fully trained on how to use WestlaweCARSWELL to maximize the content and functionality, utilizing a customized approach
- Reference Support provides live, authoritative telephone support seven days a week 24 hours a day
- Technical Support is available from 8:00 AM to 8:00 PM across Canada
