

September 5, 2006 [About](#)

Noteworthy

Litigator™

NEW EXCLUSIVE FEATURE

Coming to Litigator users in September—PDF versions of every court document in the Litigator precedent collection.

This month you will be able to view court documents from across Canada just the way they were filed with courts right at your desktop. [More...](#)

IPSource™

NEW Annotations Custom Search Template

The new search template improves searching of the two annotated statutes on IPSource:

§ Hugues G. Richard, Laurent Carrière, *Canadian Copyright Act - Annotated Robic Leger*

§ Hugues G. Richard, *Canadian Trade-marks Act - Annotated Robic Leger*

Litigator™

[Register today](#) for an upcoming Litigator webinar!

Take a look at the schedule and select a session most suitable for you and your firm.

28-September - Thursday 12:00PM EST

11-October - Wednesday 12:00PM EST

WestClip®

The 10-character naming limit has been expanded to 40 characters!

Set up WestClip clipping service to track case law, commentary, journals and law reviews on thousands of WestlaweCARSWELL and Westlaw databases. With WestClip you can create up to 99 WestClip queries to:

§ Automatically track new content that is of special interest to you

§ Monitor the activity on leading cases

§ Automatically run your favorite searches every day

§ Protect yourself from missing vital information

§ Create your own currency newsletter of recent decisions
